
Note: 29,971 legislator stance records (prompt stance-extraction-0.3-dev) placed on codebook v1.0, House Science and Senate Commerce hearings held 1999-2025. A record is one member position: cited sentences, an issue, and support or concern. Years are hearing held years; administrations are calendar-year blocks (Bush 2001-2008, Obama 2009-2016, Trump 2017-2020, Biden 2021-2024, Trump 2025). Topic 121, K-12 STEM education and workforce development: 421 records from 193 hearings and 98 legislators; support share 0.62. Best single break year 2020: net stance +0.17 before, +0.67 after.
