
Note: 29,971 legislator stance records (prompt stance-extraction-0.3-dev) placed on codebook v1.0, House Science and Senate Commerce hearings held 1999-2025. A record is one member position: cited sentences, an issue, and support or concern. Years are hearing held years; administrations are calendar-year blocks (Bush 2001-2008, Obama 2009-2016, Trump 2017-2020, Biden 2021-2024, Trump 2025). Topic 44, Fisheries management and conservation: 490 records from 112 hearings and 48 legislators; support share 0.48. Best single break year 2017: net stance -0.17 before, +0.30 after.
